The Editor-in-Chief,

Indonesian Journal of Electrical Engineering and Informatics

Sub: Submission of Manuscript titled "Fractal Analysis of Time Domain Dielectric Response to Reduce Complexity of Insulation Condition Diagnosis Methodology"

Respected Sir,

Please find the draft of the paper titled "Fractal Analysis of Time Domain Dielectric Response to Reduce Complexity of Insulation Condition Diagnosis Methodology" for review and possible publication in Indonesian Journal of Electrical Engineering and Informatics.

The authors declare that the research work described in the submitted paper is original and all ideas and works that have helped the authors to carry out the research has been adequately referred to in the paper.

The authors hereby confirm that at present the paper is not under review anywhere else.

With,

Best Regards,

Chandra Madhab Banerjee
